

The road to One Inline Place is as easy as 1-2-3!

1) TEST DRIVE

Install demo app at **Askthemax.com** and select **Get Inline** to watch 2 minute video and register.

Test drive each feature and select **Activate** to continue.

EVERYTHING ELSE TO BE MAXIMIZED

2) ACTIVATE

Create folders inline with category names and fill them with as much information as possible.

Zip each folder once complete and transfer. One Inline Place does the rest!

3) CONNECT

Promote your Mobile App everywhere online and on signage within your property.

Encourage visitors to install your Mobile App for the fastest connection to your leasing site.

Branded on-boarding materials are provided upon setup for you to maximize connectivity with your Smart Hub.
